## TAPIGO CARPET DETERGENT

LES PRODUITS  
SANITAIRES  
**LÉPINE** INC.

**TAPIGO** is a carpet detergent, specifically designed for portable or cart-mounted extraction devices. **TAPIGO** allows effective cleaning, while limiting the creation of foam. It leaves a pleasant residual smell during and after drying.

### PHYSICAL DATA

**APPEARANCE:** Colorless liquid

**ODOUR:** Floral

**pH:** 8,7 ± 0,4

**FLAMMABILITY:** No

**BIODEGRADABILITY:** Yes\*

**PHOSPHATES:** None

**STABILITY:** Yes

**BUTYL:** No

\*The ingredients which enter the composition of this product are readily biodegradable in accordance with OECD 301 standards.

### USE

**TAPIGO** is designed specifically for synthetic fiber commercial carpets. Can be used in vaporization for pre-stain treatment. Also used as upholstery cleaner.

### DIRECTIONS

**Carpet and Upholstery Machine :** Prepare a solution of 6 to 13 mL/L (1 to 2 oz/gal), depending on the level of dirt.

**Pre-stain removal :** Prepare a solution of 40 mL/L and spray the solution in passing or stained areas. Leave on for a few minutes before cleaning with the extractor.

### ADVANTAGES

- Gentle but effective product
- Economical use
- Leaves a pleasant smell of cleanliness
- Biodegradable

### PRECAUTIONS

Avoid contact of concentrated product with eyes and skin.
