ALUMINET ALUMINUM DEOXYDIZER

Description: ALUMINET is ideal to clean metallic surfaces on transportation vehicles: Trucks, Buses, Trains, RV's, Boats, Planes etc.

Environment: Recyclable packaging, not tested on animals.

Use Directions: Do not use on glass surfaces, polished or anodized aluminum. Dislodge surplus in doing a prerinsing if necessary.

LIGHT DIRT: Dilute 1 part Aluminet in 30 parts of water
REGULAR DIRT: Dilute 1 part Aluminet in 15 parts of water
HEAVY DIRT: Dilute 1 part Aluminet in 5 parts of water

Spray Aluminet uniformly over the surface to clean starting from bottom to top. Let it work a few minutes. Do not let it dry on surface. Rinse with a pressure machine from bottom to top again. Let dry.

Caution : Avoid contact with skin and eyes.
Do not store with food or in food areas.
Avoid freezing. • For external use only. • Keep away from children.

Physical analysis :

pH.....0-3
Color.....Pink
