PUISSANCE+

POWERFUL DEGREASER (READY TO USE)

LES PRODUITS
SANITAIRES
LÉPINE INC.

PUISSANCE+ contains high efficiency penetrating agents and coupling agents with very strong synergy on dirt. Ideal for all major spraying works, for cars, mechanic shops and swimming pools. **PUISSANCE+** does not contain caustic, butyl or phosphate and its surfactants are biodegradable. **PUISSANCE+** can be used in food processing facilities.

PHYSICAL DATA

APPEARANCE: Blue liquid

ODOUR: Characteristic

pH: 11,5 ± 0,5

FLAMMABILITY: No

BIODEGRADABILITY: Yes*

CAUSTIC: No

BUTYL: No

PHOSPHATES: No

ACIA: Listed

* All the surfactants which enter the composition of this product are readily biodegradable in accordance with OECD 301 standard.

USE

For the industry, technical departments, domestic maintenance, automotive maintenance and everywhere it is required to remove heavy accumulations of dirt, grease, oil, carbon, soot, some ink and pencil stains.

DIRECTIONS

Spray **PUISSANCE+** on soiled surface. Let it work so it will penetrate the dirt. Wipe with cloth or paper towel. Avoid using on paint surfaces. All surfaces in contact with food must be rinsed rigorously with potable water.

For cleaning walls: wash from bottom to top to avoid streaks.

ADVANTAGES

Ready to use: No dosage, nor mixing, the product is used with a minimum of handling.

Effective: **PUISSANCE+** controls the stubborn stain problems. In addition and for more protection, it contains efficient corrosion inhibitors.

Versatile: **PUISSANCE+** attacks the greasy or oily dirt as well pencil mark and graffiti. Only one product settles all problems of heavy maintenance.

Weak toxicity: Without phosphate, nor caustic or butyl.

⚠ PRECAUTIONS

Avoid contact with eyes. Avoid prolonged contact with skin. Avoid inhaling spray mist. Always test the product in an inconspicuous place prior use.
