To Whom It May Concern:

Re: Letter of Guarantee for Stokolan Light PURE, Product Code RES1L.

This is to certify that the above mentioned non food chemical is safe and suitable for use as intended in food establishments, provided that they are used in keeping with the instructions outlined on the labels;

1. For food plant and other industrial use only.
2. Do not store in food processing or food storage areas.
3. Food handlers must rinse off any excess cream with potable water before handling food.

Deb Canada will provide, when requested by the Canadian Food Inspection Agency, all supporting documents to demonstrate that the above mentioned non food chemical is safe and suitable for use in food establishments.

If you require anything further, do not hesitate to us.

Sincerely
