## VL91 BIODÉZO ODOUR NEUTRALIZER

LES PRODUITS  
SANITAIRES  
**LÉPINE** INC.

**VL91 Biodézo** "VERT" Lépine series odour neutralizer is a biological product that uses natural waste-digesting power from specific strains of bacteria for a quick and ecological action on organic matter. The masking scent helps control bad odours in a fast and natural way.

### PHYSICAL DATA

**ASPECT:** Colourless liquid

**ODOUR:** Perfumed

**pH:** Neutral

**FREEZING RESISTANCE:** Keep from freezing

**FLAMMABILITY:** None

**ACTIVE INGREDIENTS:** Blend of bacteria

**STABILITY:** Stable 1 year, in its original container

**MISCELLANEOUS:** No caustic, no solvent, does not attack metals

### USE

For odour control in waste containers, garbage cans, litter boxes, diaper pails, washrooms, drains, sport gears, fabrics, carpets, everywhere bad smells are present.

### DIRECTIONS

For odour control in garbage cans, litter boxes, diaper pails, vaporize pure, let stand a few minutes and wipe.

For odour control in waste containers, chutes and compactors, apply pure product manually with a garden sprayer or automatically with an ejection system. The frequency of spraying depends on the season, the type of waste, etc. Contact your Lépine representative for more details.

For washroom floors, use a solution of 1:20 (50mL/L) and apply with a wet mop. Let dry.

For smelly fabrics, carpets and equipments such as boots, shoes, protective equipments, vaporize pure to moisten slightly and let dry. Repeat as needed. Before application, pretest for color-fastness in an inconspicuous area.

To treat fabrics and washable garments, soak in a tub or directly in the washing machine, with 250 to 500 mL of **VL91 Biodézo** and enough water to cover the clothes. Soak at least one hour or overnight. Then proceed with a normal wash.

### ADVANTAGES

Very economical of use: Odour neutralizer **VL91 Biodézo** is very concentrated assuring high efficiency for the user.

Proven and tested formula: Odour neutralizer **VL91 Biodézo** is a clever blend of bacteria and perfumes giving increased efficiency on organic matters.

Guaranteed free from pathogenic bacteria: Safe for the user.

Does not contain solvent, caustic or strong chemical product.

### AVAILABLE SIZES

1 L 90292  
4 L 92090  
20 L 92093
