SANI-BOL

BOWL AND URINAL CLEANER

LES PRODUITS
SANITAIRES
LÉPINE INC.

SANI-BOL cleans, removes rust, descales and deodorizes. Its special viscosity covers the surface with a deodorant blue liquid. No loss, very efficient.

PHYSICAL DATA

COLOR: Blue

ODOUR: Wintergreen

pH: <1

SOLUBILITY: Complete

VISCOSITY: Good

ACTIVE INGREDIENTS: Phosphoric acid 17%

Hydrochloric acid 3%

ABRASIVE INGREDIENT: None

USE

For toilets, urinals and acid resistant hard surfaces.

DIRECTIONS

TOILETS AND URINALS: Squirt a light stream inside the bowl or urinal area. Spread around the surface with a bowl mop or a brush. Allow to work for 1 to 3 minutes, then flush and rinse. Wipe bowl exterior and seat with a sponge or cloth.

ADVANTAGES

VERY CREAMY: Adhere and foams well.

SAFE TO USE: Will not affect the plumbing, does not burn clothes.

ECONOMICAL: Easy to use, sticks to surfaces and works hard on key areas.

EFFICIENT: Contains harmonious mixtures of acids, detergents and perfumes. Cleans and deodorizes in only one operation.

PRECAUTIONS

Corrosive product. Avoid all contact of product with skin or eyes. Do not swallow. USE ONLY ON ACID RESISTANT SURFACES. Wear protective glasses and rubber gloves when using the product. Store in a cool and ventilated area.
